50X1-HUM

1. As a result of the great shortage in Polish industry of roller bearings (łożyska toczne), the Machine Industry Department of the State Economic Planning Commission (P.K.P.G.), in conjunction with the interested industrial ministries, has formed a study commission entrusted with elaborating a system of rebuilding roller bearings.
2. Engineer Wacław Pelo, a delegate of the Ministry of Machine Industry, was nominated president of the commission.
3. In collaboration with the Design Office for Roller Bearings (Biuro Konstrukcyjne Łożysk Toczących) of the above Ministry, the commission is to set up the organization, collect documentation and recommend uniform methods of technical procedure for the rebuilding of roller bearings.
